Special Care

We recommend dry cleaning, but daily cleaning may be done with a vacuum cleaner, beating or a brush and a little soapy water. Let the rug lie flat and dry.

Remarks

Placing the rug in direct sunlight will alter its appearance over time.

All of our rugs are certified under Global Recycled Standard, the worlds leading certification standard for recycled textiles including both ecological and social criteria. This means that our production is continuously controlled by an external partner to ensure good conditions for both people and the environment from start to finish.
